

# The Golf Bike

“A New Spin on an Old Tradition”

The Golf Bike is a wonderful, albeit a very exercising, way to play a round of golf. You can transfer your clubs and equipment into the attached saddle bag on the bike.

The bike has six gears that enables you to climb some of our elevating fairways and wide tires that do not do damage to the fairways.

## Rates

9-Holes = \$10 (versus \$12 cart)

18-Holes = \$15 (versus \$17 cart)
